Providing Search Services in all 88 Ohio Counties

Attentiveness
Experience
Accuracy
Dependability
Dedication

Crown Search Services offers full title examination and document recording services in all 88 Ohio counties. Crown works with each individual organization, no matter the size, to tailor a solution for your needs. We employ a commercial specialist and have many examiners concentrating on foreclosure and REO exams, so whatever market you're in, from refinancing to purchases and construction, Crown can design a solution to meet all your needs.
